

EQUITY NOW IN THE KNOW

EQUITY NOW

Summer 2024

A Note from Community Engagement

Equity Now, Inc. is making significant strides in community engagement through its innovative financial education initiatives and strong community partnerships. Our organization is committed to advancing generational wealth by teaching and learning wealth-building strategies in collaboration with our communities.

At the heart of our efforts is Legends Charter School, where we're implementing a rigorous Financial Education curriculum designed to translate into robust investment portfolios for scholars.

Our community engagement extends beyond the classroom. Equity Now is a hub that brings together various partners to offer support and opportunities to children, youth, families, and communities—before, during, and after school, as well as on weekends. This holistic approach ensures that financial education becomes a cornerstone of community development.

Additionally, we foster community partnerships to amplify our impact. By collaborating with local businesses, organizations, and stakeholders, we create a network of support that enhances our educational programs and community initiatives. These partnerships are crucial in building a financially sustainable community and cultivating a culture of investing.

Join us in our mission to create a financially sustainable community and cultivate a culture of investing. Together, we can build a stronger, more equitable future for all.

—Antoine Williams, Director of Community Engagement and Finance

Community Engagement Initiatives

We are excited to announce the recent installation of solar panels on our school roof, a significant step towards sustainability and energy efficiency. Stay tuned for details about the upcoming ribbon-cutting event, where we'll celebrate this green initiative together!

The Colgate Smiles Dental Van will be visiting our school this fall to provide dental services. This initiative offers free check-ups and preventive care, ensuring students have healthy smiles as they head into the new school year.

We recently had the pleasure of welcoming the **Kappa League Helpers** to Legends Charter School, where they collaborated with our Educational Technology Services (ETS) department. Their mission: to prepare devices for students, ensuring they will have the technology they need for a successful year of learning.

We extend our thanks to the Kappa League Helpers for their support. We appreciate their hard work in helping us start the school year on the right foot!

Summer Investing Bootcamp

This July, Equity Now, Inc. hosted an exciting Summer Investment Bootcamp, a week-long day camp for kids ages 13-18 aimed at educating young minds on the intricacies of the stock market.

We provided participants with engaging and interactive sessions. The camp featured practical lessons, hands-on activities, and insights from experienced professionals, all aimed at equipping the next generation with essential skills for their financial futures.

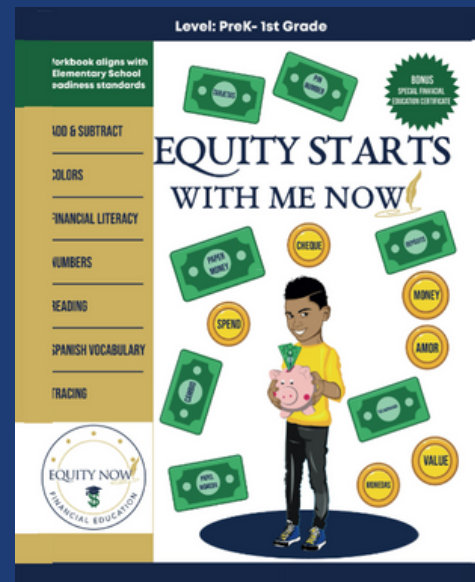

This initiative is part of our ongoing commitment to fostering educational opportunities and empowering our youth.

Join The Network

The Network is an online community platform designed to connect professionals from various industries and backgrounds. It allows members to discuss, share insights, seek advice, and collaborate.
